

What to protect? What to prevent? What to change??
A West Concord Task Force (WCTF) Community Survey

The WCTF is a volunteer advisory body that was charged by the Board of Selectmen to “develop recommendations on how best to address issues facing West Concord” and would like your feedback to do so! Issues facing West Concord include commercial property turnover, land use, traffic (car, bike, and foot), the BFRT, the MBTA, wastewater capacity, and more.

Protect: Please describe the top three West Concord assets that are potentially vulnerable and yet are critical to our community’s character. Assets include natural resources, retail stores, restaurants, institutions, infrastructure, etc.
